

# Facts & Stats

Out-of-pocket costs associated with an unexpected health issue can be as high as **\$14,444** for a critical illness, according to MetLife survey respondents.<sup>1</sup>

Recent studies have shown

**42%**

of all personal bankruptcies are a result of medical expenses. The study also reveals that 78% of those who filed had insurance.<sup>2</sup>

**Tankful**  
of unleaded gas  
for an SUV

**Monthly**  
gym membership

Based on average costs at national retail chains

2 gallons of milk  
**per week**

## How it works

Illness — Covered Condition	Payment	Total Benefit Remaining
Heart Attack — 1st diagnosis		
Heart Attack — 2nd diagnosis (2 years later)		
Kidney Failure — 1st diagnosis (3 years later)		

**MetLife Critical Illness Insurance:**

Initial Benefit Amount

In this example, the covered person would get several lump-sum payments totaling

## What you need to know about MetLife’s Critical Illness coverage:

- Over 20 covered critical illnesses, such as Cancer,<sup>4</sup> Heart Attack, Stroke,<sup>5</sup> and Kidney Failure.
- You and your eligible family members are guaranteed coverage.<sup>6</sup> No medical exam and no hassle.
- Lump-sum payment helps cover unexpected costs that result from a covered critical illness.
- For your convenience, premiums will be automatically deducted from your paycheck.

METLIFE CRITICAL ILLNESS INSURANCE (CII) IS A LIMITED BENEFIT GROUP INSURANCE POLICY. Like most group accident and health insurance policies, MetLife's CII policies contain certain exclusions, limitations and terms for keeping them in force. Product features and availability may vary by state. In most plans, there is a pre-existing condition exclusion. In most states, after a covered condition occurs, there is a benefit suspension period during which most plans do not pay recurrence benefits. MetLife offers CII on both an Attained Age and an Issue Age basis. Attained Age rates are based on 5-year age bands and will increase when a Covered Person reaches a new age band. MetLife's Issue Age CII is guaranteed renewable, and may be subject to benefit reductions that begin at age 65. Premium rates for MetLife's Issue Age CII are based on age at the time of the initial coverage effective date and will not increase due to age; premium rates for increases in coverage, including the addition of dependents' coverage, if applicable, will be based on the covered person's age at the time of that increase's effective date. Rates are subject to change for MetLife's Issue Age CII on a class-wide basis. A more detailed description of the benefits, limitations, and exclusions applicable to both Attained Age and Issue Age CII can be found in the applicable Disclosure Statement or Outline of Coverage/Disclosure Document available at time of enrollment. For complete details of coverage and availability, please refer to the group policy form GPNP07-CI, GPNP09-CI or GPNP14-CI, or contact MetLife for more information. Benefits are underwritten by Metropolitan Life Insurance Company, New York, New York. In New York, availability of MetLife's Issue Age CII product is pending regulatory approval.

MetLife's Critical Illness Insurance is not intended to be a substitute for Medical Coverage providing benefits for medical treatment, including hospital, surgical and medical expenses. MetLife's Critical Illness Insurance does not provide reimbursement for such expenses.
