

**Catholic Health Services is proud to partner with
The Long Island Housing Partnership to help qualified employees
purchase a home on Long Island**

CHS offers a housing grant program to assist eligible employees reach their goal of owning their own home. This employer-funded grant provides the opportunity for further financial assistance from New York State as well the county in which the home is purchased, including down payment assistance and funding for necessary home improvements.

To be eligible for this program you must fulfill all of the following criteria:

- Benefits eligible employee
- Completed one year of service and are in good standing
- Purchasing a house in Nassau County or Suffolk County
- Occupy the property as a principle residence
- Not have entered into a contract to purchase a home
- Meet other program guidelines as defined by the Long Island Housing Partnership, CHS and funding source

If you are interested in being referred to this program please contact the Human Resources Service Center at (516) 705-MYHR (6947) or email us at chsbenefits@chsl.org

If you do not qualify for the Employer Assisted Housing Program, CHS employees are eligible for free first time home buying counseling through the Long Island Housing Partnership. In addition, CHS employees who are experiencing financial hardship may take advantage of the Long Island Housing Partnership's free mortgage default program to help employees in financial crisis avoid foreclosure. For more information on these programs please contact the Long Island Housing Partnership directly at (631) 435-4710.

*grants are limited and will be offered on a first come first served basis
