

Enclosed is the rollover contribution form you requested. The rollover contribution form is to be used by participants who are requesting to roll money into their existing qualified retirement plan from another eligible plan (accepted rollover types are based on plan rules). Qualified plans eligible for rollover include 401(k), profit sharing, money purchase and employee stock ownership plans. Additional eligible plans include 403(b), 457 governmental plans and traditional IRAs. You cannot rollover hardship distributions, required minimum distributions or periodic installments payable over 10 years or more. You cannot use this form to rollover company stock or loans from your former employer's plan. **To ensure accurate and timely completion of your rollover contribution, please carefully read and follow all of the instructions below:**
