

OPEN ENROLLMENT

2019 | BENEFITS GUIDE

As part of our commitment to making J.Crew and Madewell a great place to work, and based on your responses and feedback through the *Your Voice* survey, we are proud to offer a suite of quality benefits and resources that are diverse, flexible and competitive to help you and your loved ones maintain and improve your health and financial well-being. These benefits are affected by the choices each of us makes, as well as how we use the plans so we encourage you to thoroughly and thoughtfully evaluate your current benefit elections, coverage levels, and costs; to be sure they continue to meet your needs in 2019.

WHAT'S NEW FOR 2019?

- **New Eligibility** – Same or Opposite-Sex Domestic Partners will be eligible for coverage, except for Flexible Spending Accounts (FSAs). Refer to FSA IRS regulations on page 16.
- **Enhanced Parental Leave Policy** – Paid leave benefits will be available to pay a portion of earnings for new mothers, fathers and adoptive parents.
- **Smart90 Rx Program through CVS** – This maintenance medication program gives you more choice in how and where you can fill your prescriptions.
- **Life Resources Program** – You will have access to three (3) face-to-face confidential sessions for help with life's concerns.
- **No Evidence of Insurability (EOI)** is needed if you increase your Supplemental or Spouse Life Insurance one (1) level.
- **Annual Deductibles** – The PPO plan has a new annual In-Network Deductible of \$500 for individual coverage and \$1,000 for family coverage, and an Out-of-Network Deductible of \$2,000 for individual coverage and \$4,000 for family coverage. The CCP annual In-Network Deductible will be \$2,000 for individual coverage and \$4,000 for family coverage, and the CCP Out-of-Network Deductible will be \$4,000 for individual coverage and \$8,000 for family coverage.
- **Annual Out-of-Pocket Maximums** – The PPO and CCP plans have a new annual In-Network Out-of-Pocket Maximum of \$3,500 for individual coverage and \$7,000 for family coverage, and an Out-of-Network Out-of-Pocket Maximum of \$7,000 for individual coverage and \$14,000 for family coverage.

PREPARING TO ENROLL

OPEN ENROLLMENT BEGINS NOVEMBER 6 AND ENDS NOVEMBER 20, 2018

If you do not take action during Open Enrollment, your benefit choices currently in place for 2018, including any surcharge or acknowledgements you have made (for example, a tobacco use affidavit, spousal coverage questionnaire, etc.) will automatically be applied (*except FSA and MetLaw, as you must elect these benefits annually*) for the 2019 plan year, and your Form 1095-C benefits statement will reflect these choices.

Beginning November 6, you can view your current elections and enroll in 2019 benefits at
<https://uenroll.net/jcrewoe18>

You can also call the Benefits Enrollment Call Center during the enrollment period, at **855-874-0297, 9:00 a.m. - 7:00 p.m. ET** to speak with a Benefits Counselor. Visit the benefits website to see your recommended call-in schedule.

VISIT WWW.MYJCREWBENEFITS.COM FOR DETAILS

(Use the password “benefits19” to log in.)

All elections made during this year’s Open Enrollment period become effective January 1, 2019, except Health Savings Account (HSA), Life and Disability. Please refer to the appropriate sections for details.

WHO IS ELIGIBLE

Regular full-time associates* of J.Crew Group, Inc. — which includes J.Crew and Madewell — are eligible for benefits. You can also cover eligible family members, including your:

- Spouse (same or opposite-sex)
- Domestic Partner (same or opposite-sex)
- Child(ren) up until the last day of the month in which he/she reaches age 26. For this purpose, covered Children include your children or children of your domestic partner.

Marriage Certificate, Birth Certificate and/or Adoption paperwork must be provided to enroll a spouse or child(ren).

A Declaration of Domestic Partnership form with three proofs must be provided to enroll a domestic partner.

Enrolling a Domestic Partner - Due to IRS regulations, you must pay taxes on any amount that J. Crew contributes towards the portion of the medical, dental and vision benefits you receive for your domestic partner and any children of your domestic partner that you cover. Additionally, the payroll deductions which are made throughout the year which pay your share of the premiums for domestic partner coverage will be deducted from your pay on a pre-tax basis, but will be included as imputed income at year end to be reflected on your W-2.

Spouse/Domestic Partner Surcharge - If your spouse/domestic partner is eligible for medical coverage through his/her employer and you elect to cover him/her under a J.Crew medical plan, you will incur a \$100 monthly surcharge.

**In general, associates are eligible for benefits if they are regularly scheduled to work at least 30 hours per week.*

LEVELS OF COVERAGE

You can choose from the following levels of coverage for your medical, prescription drug, dental and vision coverages:

- Associate Only
- Associate + Spouse/Domestic Partner
- Associate + Child(ren)
- Associate + Family

MAKING CHANGES DURING THE YEAR

If you have a qualifying life event during the year — such as a birth, adoption, marriage or divorce, loss of coverage under another plan or if a dependent is no longer eligible — you must contact Human Resources and submit your benefit change(s) within 31 days of the event. This is the only time outside of the Open Enrollment period when you can change your benefits. If you do not enroll within 31 days, you must wait until the next Open Enrollment period to enroll.

YOUR HEALTH PLANS

TAKE A CLOSER LOOK AND REDUCE YOUR TOTAL COST OF HEALTH CARE

You have two plans to choose from, the **Preferred Provider Organization (PPO)** and the **Consumer Choice Plan (CCP)**.

PPO

The PPO controls your out-of-pocket costs in exchange for a higher premium. There is an in-network deductible that you must reach. You pay a copay each time you use a provider. For an inpatient hospital stay and tests (X-rays, lab work, etc.), the plan pays 80% of the cost (in-network). If you use out-of-network providers, you are also subject to a deductible and 40% responsibility.

PPO	HIGHER PREMIUM	LOWER OUT-OF-POCKET	NO HSA
CCP	LOWER PREMIUM	HIGHER OUT-OF-POCKET	HSA WITH J.CREW CONTRIBUTION

You don't have the option to open a Health Savings Account with the PPO, so there is no company contribution.

CCP

The CCP is a consumer driven plan that gives you greater control of your health care and how much you spend on medical services.

The potential to lower your total cost of health care begins with the CCP's lower premiums, which saves you money from the beginning.

The cost advantage continues with J.Crew's contribution to your Health Savings Account. If you enroll in single coverage, the annual contribution is \$500. If you cover other family members, the annual contribution is \$1,000. J.Crew contributions are funded throughout the year based on pay frequency.

You can preserve these savings by staying healthy and being a wise health care consumer. The less you spend on medical services, the more of the premium savings and HSA contributions you keep.

WHAT'S THE TOTAL COST OF HEALTH CARE

When considering the right medical plan for you and your family, it's important to look at the total cost of health care. This "total cost" is how much you pay in premiums (the contribution taken out of your earnings each pay period) and how much you pay out of pocket. The total cost also includes contributions to your Health Savings Account (if you enroll in the CCP).

The truth is that many people pay more than they need to for health care. By taking a little time to consider your choices and paying attention to your health, you could save money and possibly begin accumulating funds for future health care expenses.

CONSUMER CHOICE PLAN (CCP) | HEALTH SAVINGS ACCOUNT (HSA)

HOW DO THEY WORK TOGETHER?

Under the **Consumer Choice Plan** you will pay the full negotiated costs for all of your medical services. The plan will only begin to pay benefits after the plan deductible is met. The full family deductible must be met if family coverage is elected.

Here's an example of how the plan would work if you were to visit your In-Network Primary Care Doctor.

BEFORE YOU MEET YOUR DEDUCTIBLE:

You Pay
100%

of the plan allowance

Instead of paying a copay, you will pay the full plan allowance (negotiated cost) of your visit to the doctor.

AFTER YOU MEET YOUR DEDUCTIBLE:

You Pay
20%

of the plan allowance

You will be responsible for 20% of the plan allowance. The plan will pay the remaining 80% of the cost. Coinsurance will apply until the plan's out-of-pocket maximum is met.

YOU CAN USE YOUR HEALTH SAVINGS ACCOUNT TO PAY YOUR MEDICAL BILL.

An HSA is a personal savings account used for qualified health care expenses. It is yours to keep – even if you leave the Company. When you enroll in the Consumer Choice Plan, you must open a Health Savings Account (“HSA”) bank account and successfully complete the Customer Identification Program (“CIP”) process in order to receive any HSA contributions. If you do not open your HSA bank account and successfully complete the CIP process by January 31, 2019, you will forfeit all J.Crew contributions made between January 1, 2019 and the date your HSA bank account is opened and the CIP process is complete. As J. Crew's HSA contributions are funded on a going forward basis only, any missed contributions will not be retro funded to your HSA account as contributions. Further, if you open your account and successfully complete the CIP process after December 31, 2018, the full amount that you elected to contribute to the HSA will be deducted from your pay to the extent possible (i.e., a retro funding will apply with respect to your contributions); however, if you do not open your HSA bank account by March 15, 2019, and/or complete the CIP process by March 31, 2019, your pre-tax HSA contribution election will be cancelled, and any contributions which have been deducted from your pay will be returned to you as additional taxable income.

To be an eligible individual and qualify for an HSA, you must meet the following requirements:

- You must be covered under the J.Crew Consumer Choice Plan (CCP)
- You have no other health coverage
- You are not enrolled in Medicare
- You cannot be claimed as a dependent on someone else's tax return
- You cannot have a full scope Flexible Spending Account (FSA) and Health Savings Account (HSA)
- Your spouse can not have a full scope FSA

Important Note: If you are currently enrolled in a full scope Health Care FSA, and you will open an HSA for 2019, you must use any remaining Health Care FSA funds by December 31, 2018 in order to avoid tax consequences.

HERE'S HOW IT WORKS:

- 1. J.Crew contributes to the account.** If you enroll in the CCP, J.Crew will contribute **\$500** to your HSA (**\$1,000** if you elect family coverage) to help you meet the plan's higher deductible.
- 2. Save on taxes.** If you would like to add more funds to the account, you can contribute money from your paycheck before taxes are taken out (up to the yearly IRS limits).

3. Use your HSA. You can use your HSA to pay for eligible health care expenses on a pre-tax basis.*

4. Examples include: Coinsurance, deductibles, prescriptions, and dental & vision expenses. A full list of eligible expenses is available at www.irs.gov.

5. Grow your HSA. If you don't spend all of the money in 2019, **all available funds roll over year after year**, and allow the account to grow over time.

HOW MUCH CAN YOU CONTRIBUTE?	2019 IRS CONTRIBUTION LIMIT	ANNUAL J.CREW CONTRIBUTION	YOUR MAXIMUM CONTRIBUTION AMOUNT
Associate Coverage	\$3,500*	\$500	\$3,000
Family Coverage	\$7,000*	\$1,000	\$6,000

* Any reference to taxes is at the federal level. State tax rules may vary.

+ If an individual reaches age 55 by the end of the calendar year, he or she can contribute an additional \$1,000.

HOW TO SAVE ON HEALTH CARE

STAY IN-NETWORK FOR CARE

When you stay in-network, you pay less out-of-pocket without compromising the quality of care. Many physicians, hospitals and other health care providers participate in the national network. When you see in-network providers, you receive a higher level of coverage and you benefit from discounted fees for covered in-network services.

When you see out-of-network providers, you pay more out-of-pocket. First, you must meet a higher annual deductible. Then, eligible expenses are reimbursed at 60% of the Reasonable and Customary (R&C) allowance. In addition to your share of the cost, you must also pay any charges that exceed the R&C limits.

BE A SMART HEALTH CARE CONSUMER

Being a smart health care consumer begins with staying healthy. After all, the best way to reduce your medical costs is to minimize doctor visits.

When you do need medical services, ask questions. For instance, are there less expensive treatment options? If you need out-patient surgery, are there surgical centers that will be less expensive than having the procedure done in a hospital? Is there a generic or preferred alternative to a high cost brand name drug prescribed by your physician? (see *Save on Prescription Drugs* box for more information)

YOUR ANNUAL PHYSICALS AND ROUTINE MEDICAL SCREENINGS ARE FREE

Both health plans pay 100% (with no copay or deductible) for eligible in-network preventive care. So, schedule your family's annual physicals, immunizations and wellness screenings, such as annual gynecological exams, routine mammograms and prostate and other cancer screenings.

For a complete list of covered preventive care services for men, women and children, visit your health plan's website (see Important Contact Information).

ADDITIONAL PREVENTIVE CARE BENEFITS FOR WOMEN

The following additional preventive care services are covered in-network at 100%:

- Contraceptive counseling and contraceptives, including generic birth control pills and brand-name birth control pills when generic equivalents are not available
- Breastfeeding support, supplies and counseling, including breast pumps
- Screening for gestational diabetes, HPV, sexually transmitted infections, HIV and domestic violence

TELEMEDICINE PROGRAM

The Telemedicine program provides quick and easy medical consultations from a computer, tablet or smart phone with board certified doctors, 24/7 for associates enrolled in the PPO or CCP medical plan. Under the PPO plan, you only pay a \$10 copay for consultations. Under the CCP medical plan, you pay for the full cost of the visit until your plan deductible has been reached. The doctors you speak with can treat certain medical issues, and can even write prescriptions if needed. Examples of addressed conditions include: cold & flu, pink eye, sore throat, skin issues & rashes, sports injuries and more. If you are enrolled in an Aetna medical plan, your Telemedicine program is through Teladoc. If you are enrolled in an Anthem medical plan, your Telemedicine program is through LiveHealth Online.

SAVE ON PRESCRIPTION DRUGS

Request generics to save more.

Generics are equally effective and generally cost less than their brand-name counterparts.

See whether your prescription drug is on the preferred list. If your doctor prescribes a medication not available in generic form, look to see if it's a preferred drug listed under "Tier 2" of the formulary. If it isn't, work with your doctor to determine whether a "Tier 2" drug is available.

Use network pharmacies. Fill prescriptions at pharmacies in Express Scripts' large national network. If you go out-of-network, there is no coverage.

Use the Smart90 Rx Program through CVS. Save money on a 90-day supply filled at a CVS pharmacy or delivered to your home.

1. In-network benefits are based on negotiated rates. You will not be billed for any amount over the negotiated rate.
2. Out-of-network benefits are based on Reasonable & Customary (R&C) charges. You're responsible for any charges in excess of the amount J.Crew pays.
3. Each person must satisfy his or her annual deductible and individual out-of-pocket maximum (in-network prescription drug copays will apply toward the out-of-pocket maximum). For family coverage, the expenses of two or more family members may be combined to satisfy the family deductible and out-of-pocket maximum. However, no one person can satisfy more than his or her individual deductible or out-of-pocket maximum.
4. In Consumer Choice, if you cover family members, everyone's expenses contribute to the family deductible and out-of-pocket maximum. The family deductible must be met before the plan begins paying benefits for anyone.
5. Any money paid toward in-network deductibles and out-of-pocket maximums would also be applied to out-of-network deductibles and out-of-pocket maximums, and vice versa.
6. Under the PPO, a copay may apply if performed in the doctor's office.
7. Under the PPO, you are responsible for the copay or the Reasonable & Customary (R&C) price of a prescription drug, whichever is less. The mail-order program is recommended for maintenance medications. If you request a fourth fill of a maintenance prescription at a retail pharmacy, you will pay the full mail-order copay but receive only a 30-day supply.

TRANSGENDER BENEFIT COVERAGE

Transgender services are covered under the PPO and CCP medical plans just like any other medical condition and based on the type of service received (for example, office visit, hospital/surgical services, pharmacy, etc.). Contact Aetna or Anthem for details.

SAVE MONEY BY BEING TOBACCO-FREE

If you and your covered family members do not use tobacco (e.g., cigarettes, cigars, chewing tobacco, snuff), you receive a \$40 discount on your medical premiums each month.

To receive the discount, you will need to certify that you and your family members are tobacco-free and will remain tobacco-free for the remainder of the plan year. See the Tobacco Premium Policy for more information.

You must complete the Tobacco-Use Affidavit during your initial benefits enrollment and every year during the annual Open Enrollment period.

An associate who intentionally falsifies his/her non-tobacco use or that of an eligible covered dependent will be immediately subject to tobacco premiums and may be subject to termination of health plan coverage with responsibility for all claims incurred, as well as discipline up to and including termination of employment.

QUIT FOR LIFE®

The Quit For Life Program is a tobacco cessation program available at no cost to all regular full-time associates and dependents age 18 or older enrolled in a J.Crew Health Plan. You can sign up anytime. Program features include:

- Phone-based coaching, text messaging and web-based information
- Unlimited calls with a Quit Coach
- A personalized plan to help you quit
- Nicotine patches and gum

Quit For Life is nine times more effective than quitting on your own. In addition, our health plans provide 100% coverage for the prescription drugs Chantix® and bupropion for the first six months after you enroll in the Quit For Life Program. Contact Quit For Life at 866-Quit-4-Life (866-784-8454) or www.quitnow.net to sign up.

RESOURCES TO HELP YOU BE HEALTHY

J.Crew provides a variety of services and resources to support your good health. What's more, your privacy is always protected—you are receiving services in the strictest of confidence.

Anthem Personal Support - As part of your benefits, you have access to a trained professional dedicated to your specific health needs.

The Aetna Concierge Service has all the answers about your health care plan. A concierge can assist you with doctor selection, diagnosis questions, coverage information and much more.

The Personal Nurse Advocate Service offers support for a wide variety of medical conditions, such as asthma, diabetes and depression. A registered nurse will work with you, helping you develop a personal action plan to better manage your condition, avoid unnecessary complications and improve your quality of life.

The Behavioral Health Support Service Line complements the Life Resources Program. Professional counselors are available, 24 hours a day, 7 days a week, to provide private, confidential assistance—whether it's answering your questions, helping you locate the right network provider for outpatient counseling or arranging hospital admissions for you or a covered family member.

The Diabetes Support Program helps individuals with diabetes manage their condition. Through the Diabetes Support Program, you receive free diabetic supplies and prescription drugs.

Log on to your health plan's website to find a wealth of health care information. You can complete an online health assessment to receive a snapshot of your health and register to participate in special programs that focus on your specific health needs.

PRESCRIPTION DRUG COVERAGE

Prescription drug coverage through Express Scripts is included when you enroll in either health plan.

Your Cost for Prescription Drugs:

PREFERRED PROVIDER ORGANIZATION			CONSUMER CHOICE PLAN
	Network Retail Pharmacy (up to 30-day supply) In-Network Only	Mail Order (up to 90-day supply) In-Network Only	Network Retail Pharmacy and Mail Order
Tier 1*	\$10	\$25	You pay 20% after you meet your annual deductible
Tier 2*	\$35	\$87.50	
Tier 3*	\$60	\$150	

*Drug tiers are based on the Express Scripts formulary, a list of covered medications approved by the U.S. Food and Drug Administration (FDA) as safe and effective. The formulary can be found at www.express-scripts.com.

**You are responsible for the lesser of the copay or the Reasonable & Customary (R&C) price of the drug.

SMART90 RX

Starting January 1, 2019 you will have the option of receiving a 90-day supply of your maintenance drug(s) at any CVS pharmacy for the applicable mail order copay. While maintenance medications must still be filled at mail order after two monthly retail fills, you now have a choice of getting the same 90-day supply right at a CVS pharmacy, or utilizing the Express Scripts Pharmacy for home delivery services.

100% COVERAGE FOR CONTRACEPTIVES

In-network counseling and contraceptives, including generic birth control pills, and brand-name birth control pills when generic equivalents are not available, are covered at 100% for women up to the age of 50.

MANAGING PRESCRIPTION DRUG COSTS

You may pay less for specialty prescriptions. A small number of specialty drugs will not be filled for the full amount prescribed by your doctor if you are enrolled in the PPO or CCP. This is because the dosage on these drugs frequently changes for new patients until the right treatment level is reached. In these cases, since there is a chance you will need a new prescription before the month is over, Express Scripts will send you a smaller quantity and charge a prorated copay.

Dispense as Written rule. If you request to have your prescription filled with the brand name drug when a generic is available, the plan will only cover up to the cost of the generic. You will be responsible to pay the difference between the cost of the generic and the brand name.

CRITICAL ILLNESS INSURANCE*

A serious illness can strike at any time. Aside from the usual anxiety, you have to deal with the harsh financial impact. The fees for doctors, tests, hospital stays and other services add up quickly, draining your savings and driving up your credit card balances.

Critical Illness insurance helps provide financial protection in the event of a covered serious illness.

The policy pays the full benefit directly to you if you are diagnosed with a covered condition. You can use this benefit any way you choose – to pay deductibles and coinsurance, expenses your family incurs to be by your side, or simply to replace your lost earnings from being out of work.

PLAN FEATURES

You choose the benefit amount when you enroll.

You can purchase between \$5,000 and \$30,000 of coverage without having to take a medical exam.

- You do not have to be terminally ill to receive benefits.
- Family coverage is available.
- A \$50 Wellness Benefit is included, which pays an annual benefit for one covered health screening test performed (blood tests, stress tests, colonoscopies, chest X-rays, etc.).
- Coverage is portable – you can take your policy with you if you change jobs or retire.

COVERED ILLNESSES INCLUDE:

- Heart Attack
- Cancer
- Stroke
- End Stage Renal (Kidney) Failure
- Major Organ Transplant
- ALS (Amyotrophic Lateral Sclerosis)
- Alzheimer's Disease
- Advanced Parkinsons

**This plan is made available to J.Crew associates, but is not endorsed by J.Crew.*

Major Illness costs cause more than 60% of all bankruptcies, and 78% of those affected had health insurance.

Individual Premiums begin as low as 60 cents/week.

Your premium will depend on age and tobacco status.

ACCIDENT INSURANCE*

Accidents happen. You can't always prevent them, but you can take steps to reduce the financial impact.

Accident Insurance is designed to help cover the out-of-pocket medical expenses and extra bills you may incur as a result of an accident. The plan pays benefits directly to you — not a doctor or hospital — for injuries and accident-related expenses. You can use the money however you choose.

Benefit amounts are based on the type of injury and treatment needed.

COVERED INJURIES AND ACCIDENT-RELATED EXPENSES INCLUDE:

- Fractures
- Dislocations
- Hospitalization
- Physical Therapy
- Emergency Room Treatment
- Transportation
- Lodging, and more!

PLAN FEATURES:

- Benefits are paid for accidents that occur on or off the job, so you have 24-hour coverage.
- You can elect coverage for your spouse and children.
- There are no health questions or physical exams required to enroll.
- If you change jobs or retire, you can take your policy with you.

** This plan is made available to J.Crew associates, but is not endorsed by J.Crew.*

HOSPITAL INDEMNITY INSURANCE*

A stay in the hospital doesn't have to be a financial nightmare. Hospital Indemnity Insurance provides financial protection if you or covered family member is admitted into a hospital.

Hospital Indemnity Insurance pays you directly if you're admitted into a hospital. You receive a **\$1,000 benefit** once you're admitted into the hospital and then an additional **benefit of \$200** for each day you stay there up to one year.

Additional benefits are paid for intensive care and for rehab facilities. You also receive a \$100 Wellness benefit.

It's a great way to pay for medical plan deductibles and coinsurance until the out-of-pocket maximum kicks in. You may also have enough left over to pay for family-member lodging and food while they stay near the hospital.

Hospital Insurance is a smart way to protect yourself from expensive hospital costs. It's worth checking it out.

Premiums begin at \$8.18 per week for individual coverage.

Your premium will depend on how many dependents are covered.

Please Note: Benefit amounts will reduce by 25% at age 65 to 69 and by 50% at age 70.

** This plan is made available to J.Crew associates, but is not endorsed by J.Crew.*

DENTAL BENEFITS

The Dental Plan gives you the option to use in-network or out-of-network providers—but you pay less when you see an in-network Anthem dentist.

When you choose a network dentist, the cost for services is based on a negotiated rate and the provider can't charge any more than this rate. Go to www.anthem.com to find a network dentist.

If you see an out-of-network dentist, the cost is based on the dentist's actual charge, and you're responsible for the difference between the dentist's charges and the amount the plan pays.

DENTAL PLAN COVERAGE		
Expense	In-Network Coverage	Out-of-Network Coverage
Annual Deductible for Major Restoration Services Only	\$50 Associate Only \$100 Associate + Spouse/Domestic Partner (same/opposite) ¹ \$100 Associate + Child(ren) ¹ \$150 Associate + Family ¹

Annual Maximum (does not apply to orthodontia)	\$2,000 per covered person ³	
Orthodontia Lifetime Maximum	\$2,000 per covered person ³	

1. No one family member will pay more than \$50 toward the annual family deductible.

2. Exams and cleanings are limited to twice per year. Frequency of X-rays varies based on type of X-ray.

3. Annual Maximum is \$2,200 per covered person if you received at least one cleaning in the last 12 months.

PREVENTIVE DENTAL CARE TWICE A YEAR AT NO COST!

The Dental Plan covers preventive exams and cleanings twice each year at 100% with no deductible.

Take advantage of your preventive dental benefits to keep your smile bright and maintain your overall health. Plus, reduce your risk for gum disease—it's often linked to other medical conditions such as diabetes.

Not only are preventive visits free, but if you completed at least one cleaning in 2018, you will receive a \$200 increase in your annual benefit maximum for 2019. So, be sure to schedule your preventive dental care in 2019 to receive an additional benefit in 2020.

VISION PLAN

Routine eye exams can help identify current or potential health problems before they become more serious conditions. In addition to examining for glaucoma and other eye diseases, your doctor can check for early signs of diabetes, high blood pressure, high cholesterol and other problems.

The Vision Plan covers eyeglass lenses and contacts every year. Plus, you can get new frames every two years. You may use in-network or out-of-network providers, but you pay less when you use an in-network VSP provider. Review the chart below to see how you can save money and maximize your vision benefits when you use VSP providers. Visit www.vsp.com to find a network provider.

VISION PLAN COVERAGE		
Eyewear or Service	In-Network Coverage	Out-of-Network Coverage/ Reimbursement
Exam copay (once every 12 months)	\$15 copay	Up to \$50
Lenses (once every 12 months)		
Single	100% after \$25 copay	Up to \$50
Bifocal (lined)	100% after \$25 copay	Up to \$75
Trifocal (lined)	100% after \$25 copay	Up to \$100
Contact Lenses	Up to \$130 reimbursement ² (no copay)	Contact VSP
Eyeglass Frames (once every 24 months)	Up to \$150 reimbursement after \$25 copay ³	Up to \$70

1. If frames and lenses are purchased together, one \$25 copay applies; if purchased separately, a \$25 copay applies to each.
2. Allowance applies to the cost of lenses, plus an additional contact lens fitting and evaluation exam.
3. Additional 20% off any out-of-pocket costs in excess of allowance.

CHOOSING A VISION CARE PROVIDER

FLEXIBLE SPENDING ACCOUNTS

REDUCE YOUR OUT-OF-POCKET COSTS AND LOWER YOUR TAXABLE INCOME

Contribute to Health Care and Dependent Care FSAs and have before-tax deductions taken automatically from each paycheck. You can then use the money in your FSA to pay eligible expenses with tax-free dollars. The J.Crew FSAs (and HSA) are administered by WageWorks.

THERE ARE THREE TYPES OF FSAS—HERE'S HOW THEY WORK

Due to IRS regulations, if you enroll in the Consumer Choice Plan, you will not be able to enroll in a general Health Care FSA. However, you can enroll in a Limited Purpose Health Care FSA for dental and vision expenses.

If you enroll in a J.Crew Health Plan and the Health Care FSA or the Limited Purpose Health Care FSA and do not use your debit card to pay for eligible expenses, you will automatically be reimbursed for any eligible out-of-pocket medical, prescription drug, dental and vision expenses that you incur without submitting a claim to WageWorks.

If you enroll in the Health Care FSA without being enrolled in a J.Crew Health Plan (you have medical coverage elsewhere), you will need to submit claims to WageWorks for your out-of-pocket expenses.

WHAT EXPENSES ARE ELIGIBLE?

If you participate in the following, eligible expenses include:

HEALTH CARE FSA:

- Medical, prescription drug, dental and vision deductibles, coinsurance and copays
- Orthodontia and laser eye surgery
- Smoking cessation aids (nicotine patches and gum)
- Certain over-the-counter drugs if you have a doctor's prescription

LIMITED PURPOSE HEALTH CARE FSA:

- Dental and vision deductibles, coinsurance and copays
- Dental and vision prescriptions
- Certain over-the-counter drugs for dental and vision care, if you have a doctor's prescription

DEPENDENT CARE FSA:

- Qualified child care centers, private child care providers, nursery schools, summer day camps and after-school care provided for your eligible children up to age 13
- Day care for an aging or disabled dependent who lives with you and requires your financial support

For more information about eligible expenses, call 1-800-TAX-FORM or visit www.irs.gov and see Publication 502 (Health Care) and Publication 503 (Dependent Care).

** Your Dependent Care FSA annual contribution maximum may be reduced by plan or IRS limitations.

*** Enrollees in the Health Care FSA and Limited Purpose FSA have two options to pay for out-of-pocket expenses: use the WageWorks debit card or pay up front. If up front, WageWorks will automatically reimburse you. Keep your receipts—you may be requested to substantiate your claims and provide proof. For the Dependent Care FSA, you will need to pay up front and submit your claims to WageWorks.

WANT TO SEE EXACTLY HOW THE FSA WORKS?

Let's assume you're married with one child, you earn \$30,000 a year, and you enroll in the PPO medical plan. In 2019, you know that you'll have at least \$2,000 in out-of-pocket health care and dependent care expenses, including medical and dental deductibles and your child's day care expenses.

You can pay for your expenses and save yourself \$453 in taxes by contributing \$2,000—that's less than \$40 per week—to the FSAs! Here's how:

	Expenses Paid Through the FSAs	Expenses Not Paid Through the FSAs
Annual Pay	\$30,000	\$30,000
Health Care and Dependent Care FSA Contribution	\$2,000	\$0
Taxable Income	\$28,000	\$30,000
Estimated Federal Income and Social Security Taxes*	\$4,599	\$5,052
After-Tax Health Care and Dependent Care Expenses	\$0	\$2,000
Take-Home Pay (after medical expenses)	\$23,401	\$22,948
Tax Savings	\$453	\$0

This example is for illustrative purposes only. Your actual tax savings will vary depending on the amount you contribute and the tax rates in effect during the calendar year.

KNOW THE “WHAT, WHEN, AND WHERE” FOR 2019 FSA CLAIMS

FSA Type	Incur Eligible Expenses	Submit Claims by	Submit Claims to
Health Care	Jan. 1, 2019 – Mar. 15, 2020	June 30, 2020	WageWorks
Limited Purpose Health Care	Jan. 1, 2019 – Mar. 15, 2020	June 30, 2020	WageWorks
Dependent Care	Jan. 1, 2019 – Dec. 31, 2019	Mar. 31, 2020	WageWorks

Please note, if you have FSA funds left in your 2018 account as of January 1, 2019, WageWorks will use that account first for any claims from 1/1/2019 – 3/15/2019, before drawing funds from your 2019 FSA.

IMPORTANT IRS REGULATIONS

Your contributions cannot be changed during the year unless you have a qualified change in status. Also, since domestic partners are not considered eligible dependents by the IRS, you cannot submit expenses for your domestic partner and his/her children for reimbursement.

You must enroll in the FSAs each year to participate.

LIFE INSURANCE

You automatically receive Basic Life and Accidental Death & Dismemberment (AD&D) coverage at no cost to you. This coverage is administered by The Hartford. Eligibility begins the first of the month after 30 days of active employment.

BASIC LIFE INSURANCE

You receive Basic Life Insurance equal to two times your base annual salary, up to \$500,000.

BASIC ACCIDENTAL DEATH & DISMEMBERMENT (AD&D)

You receive a benefit equal to two times your base annual salary, up to \$500,000. If your accident results in a loss of hearing, speech or eyesight, or a hand, foot or limb, your benefit is a percentage of the Basic Life Insurance amount.

SUPPLEMENTAL LIFE INSURANCE

You can add to the company-paid basic term life coverage by purchasing supplemental life insurance. You can choose a benefit amount of one to five times your annual base salary up to \$500,000 (coverage is guaranteed for up to \$300,000, which means a medical exam is not required on a benefit up to that amount). You do not need to provide EOI if increasing your Supplemental Life Insurance one (1) level.

AGE	MONTHLY PREMIUM PER \$1,000 BENEFIT AMOUNT
<25	\$0.05
25-29	\$0.06
30-34	\$0.08
35-39	\$0.09
40-44	\$0.10
45-49	\$0.15
50-54	\$0.23
55-59	\$0.43
60-64	\$0.66
65-69	\$1.27
70-74	\$2.06
75+	\$5.40

Example:

A 34 year-old earning \$45,000, choosing to purchase an additional two times their annual salary:

$$2 \times \$45,000 = \$90,000$$

$$\$90,000 / 1,000 = 90$$

$$\$0.08 \times 90 = \$7.20 \text{ monthly}$$

$$\$7.20 \times 12 = \$86.40 \text{ annually}$$

$$\$86.40 / 52 \text{ weeks} = \$1.66 \text{ per pay period (weekly)}$$

$$\$86.40 / 26 \text{ weeks} = \$3.32 \text{ per pay period (biweekly)}$$

The premium for an additional \$90,000 in life insurance coverage is **\$86.40 per year**.

TAKE YOUR LIFE INSURANCE AND AD&D WITH YOU

If you leave J.Crew or if you have a status change and are no longer eligible for coverage, you have the option of continuing coverage for you and your dependents through an individual policy. You must apply within 31 days of the date coverage ends.

Contact Human Resources (see Important Contact Information) or The Hartford for more information.

DEPENDENT LIFE INSURANCE FOR YOUR FAMILY

- You may purchase life insurance on an after-tax basis for your spouse, and your child(ren)* up to age 26. Life insurance for your family pays you—the beneficiary—upon their death. You do not need to provide EOI if increasing your Spouse Life Insurance one (1) level.
- You can purchase coverage on your spouse up to \$20,000.
- The same age-banded rates apply to spouse coverage. (Rate is based on the associate's age.)
- You can purchase coverage for your child(ren) in the amount of \$2,000 or \$4,000 per child.

*Dependent Child(ren) means: Your unmarried children, stepchildren if the signature of Your Spouse (i.e., the natural parent) is included in the enrollment form, or legally adopted children; provided such children are primarily dependent upon You for financial support and maintenance and are:

1) at least 14 days old but under age 26;

2) age 26 or older and disabled. Such children must have become disabled before attaining 26. You must submit proof, satisfactory to Us, of such children's disability.

DISABILITY INSURANCE

You automatically receive Short-Term Disability (STD) and Basic Long-Term Disability (LTD) coverage. These plans are administered by Prudential. Eligibility begins the first of the month after 90 days of active employment.

SHORT-TERM DISABILITY (STD)

The STD Plan replaces 70% of your weekly pay for up to 26 weeks if you are unable to work because of a non-work-related injury or illness. STD benefits begin on the first day you are unable to work due to an injury and on the eighth day if your disability is due to illness.

LONG-TERM DISABILITY (LTD)

Basic LTD coverage replaces 60% of your base annual salary, up to \$1,000 per month. LTD benefits begin after you have been disabled for 180 days. For additional coverage, you can buy Supplemental LTD on an after-tax basis and receive 60% of your salary, up to a maximum monthly benefit of \$15,000.

For example, if your salary is \$50,000 per year and you enroll in Supplemental LTD, here's how your per-pay-period cost is calculated:

Salaried Associate	Hourly Associate
$\$50,000 \div 100 = 500$	$\$50,000 \div 100 = 500$
$\$0.23 \times 500 = \115 annually	$\$0.31 \times 500 = \155 annually
$\$115 \div 26 = \4.42 per pay period	$\$155 \div 52 = \2.98 per pay period

EVIDENCE OF INSURABILITY

You will need to complete an Evidence of Insurability (EOI) form if you are enrolling for Long-Term Disability coverage for the first time (except for newly eligible associates). Human Resources will provide you with an EOI form, if required. Your coverage will not begin until your application is approved by Prudential.

PARENTAL LEAVE POLICY

An enhanced parental leave policy will be rolled out in 2019 that will provide a benefit for parents taking time off to care for or bond with a newborn or a newly adopted child. Additional details will be announced in 2019.

TERMS TO KNOW

BENEFICIARY is a person or organization you designate to receive your life insurance and AD&D benefits if you die. You may change your beneficiary at any time.

COINSURANCE is the percentage of costs you pay after you meet your deductible.

COPAY is a flat dollar amount you pay for certain services, such as in-network doctors' office visits or prescriptions in the PPO medical plan.

DEDUCTIBLE is the amount you pay each year before J.Crew begins paying for some health care services. Once you meet your deductible, J.Crew covers the majority of the cost of most services.

OUT-OF-POCKET MAXIMUM is the most you will pay for covered services including your deductible, office visit copays and coinsurance, including prescription drugs. Once you pay this amount, J.Crew pays 100% for the rest of the year.

PREMIUM is the amount that is deducted from your paycheck to pay for your benefits.

PRIMARY CARE PHYSICIAN (PCP) is a doctor, such as an internal medicine doctor or pediatrician, who provides regular care such as routine physicals and treatment of minor illnesses or injuries.

REASONABLE & CUSTOMARY (R&C) is a charge set by the claims administrator that is used to calculate your benefits when you see out-of-network providers. Generally, it is an average amount doctors and other health care providers in your area charge for the service you received. If you see an out-of-network provider, the amount paid by J.Crew will be based on the R&C amount, and you must pay all amounts above the amount paid by J.Crew.

NOTICES

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

In accordance with federal law, the J.Crew Health Plan provides the following services to any person receiving benefits in connection with a mastectomy: reconstruction of the breast on which the mastectomy has been performed; surgery and reconstruction of the other breast to produce a symmetrical appearance; and prostheses and treatment of physical complications of all stages of a mastectomy, including lymphedemas (swelling associated with the removal of lymph nodes).

If you receive benefits from the Health Plan for a mastectomy, and you then elect to have reconstructive surgery, the Health Plan must provide coverage in a manner determined in consultation with the attending physician and the patient. The plan's benefits for breast reconstruction and related services will be the same as other services covered by the plan.

NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefit for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a normal vaginal delivery; or 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

SUMMARY OF BENEFITS AND COVERAGE (SBC)

SBCs provide health plan information in a standard format. You may find the SBCs helpful if you are comparing J.Crew's coverage with plans offered by your spouse's employer.

IMPORTANT NOTE ABOUT PRIVACY

We understand your protected health information (PHI) is personal and must be protected. We are committed

to protecting your PHI and will use it to the minimum necessary to accomplish the intended purpose.

INFORMATION ABOUT THE HEALTH INSURANCE MARKETPLACE

As part of Health Care Reform, you will need to enroll in a J.Crew Health Plan for 2019 or obtain coverage elsewhere. Coverage from another employer as well as coverage purchased through the Health Insurance Marketplace meets this requirement. For more information about the Marketplace, visit www.HealthCare.gov.

HIPAA SPECIAL ENROLLMENT

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 31 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact your local HR (see page 22).

FOR MORE INFORMATION

For details regarding any of the plans or programs included in this overview, refer to the official plan documents, which govern in the case of disputes or conflicts. Not all J.Crew associates are eligible for all the plans discussed in this overview. This overview does not create a contract between J.Crew and any associate. J.Crew, at its discretion, reserves the right to change, interpret, modify or terminate any plan or the statements in this overview at any time. Changes are effective on the date J.Crew specifies.

The Marketplace Notice, Prescription Drug Notice, HIPAA Privacy Policy and COBRA Notice are available on www.myjcrewbenefits.com.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2018. Contact your State for more information on eligibility –

PAPERWORK REDUCTION ACT STATEMENT

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.
