| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                                | In-Network: \$3,000 Individual / \$6,000 Family<br>Out-of-Network: \$6,000 Individual / \$12,000 Family                           | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered<br>before you meet your<br><u>deductible</u> ? | Yes. <u>In-Network preventive care</u> is covered before<br>you meet your <u>deductible</u> .                                     | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other deductibles for specific services?                        | No.   | You don't have to meet <u>deductibles</u> for specific services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | In-Network: \$3,000 Individual / \$6,000 Family<br>Out-of-Network: \$6,000 Individual / \$12,000 Family                           | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan,</u> they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?                          | <u>Premiums, preauthorization</u> penalties, <u>balance-billed</u> <u>charges,</u> and healthcare this <u>plan</u> doesn't cover. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit.</u>   |
| Will you pay less if you use<br>a <u>network provider</u> ?               | Yes. See <u>www.bcbstx.com</u> or call 1-800-810-2583<br>for a list of <u>network providers</u> .                                 | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to<br>see a <u>specialist</u> ?             | No.   | You can see the <u>specialist</u> you choose without a <u>referral</u> .  |

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
