Coverage for: Individual + Family | Plan Type: HRA

Coverage Period: 01/01/2019 - 12/31/2019

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.mybmchealth.com</u> or call 1-877-778-9945. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.mybmchealth.com</u> or call 1-877-778-9945 to request a copy.

| Important Questions   | Answers  | Why this Matters:  |
|---|--|--|
| What is the overall deductible?                             | \$2,000 person / \$4,000 person + 1 / \$6,000 family In-network<br>\$4,000 person / \$8,000 person + 1 / \$10,000 family Out-of-network  | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.   |
| Are there services covered before you meet your deductible? | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>   |
| Are there other deductibles for specific services?          | No.  | You don't have to meet <u>deductibles</u> for specific services.   |
| What is the out-of-pocket limit for this plan?              | \$5,500 person / \$10,000 person + 1 / \$12,700 family In-network \$11,000 person / \$20,000 person + 1 / \$24,000 family Out-of-network \$5,500 In-network / \$11,000 Out-of-network Maximum amount that any one person will satisfy toward the annual family out-of-pocket An employer HRA contribution of \$1,000 person / \$2,000 person + 1 / \$2,500 family is available to reduce the out-of-pocket expenses. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?            | Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.   | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |
| Will you pay less if you use a <u>network provider</u> ?    | Yes. See www.mybmchealth.com or call 1-877-778-9945 for a list of network providers.   | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (a <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |

## **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
